CITY OFFICIAL PAPER

NO. 2

State Board Replies To Protest

F. A. Lowell Is Re-elected Supervisor Of First District

Sonoma Depicts History In Pageant Of Redwoods Monday

PRIMARY ELECTION ON TUESDAY WAS VERY QUIET ONE

Lowell Defeats R. R. Empanan; Anderson Beats Fulwider; Judge Plummer Favorite Here.

The election Tuesday, while a quiet one in Sonoma Valley, was fraught with keen interest, owing to the fact that two Sonoma men were candidates for supervisor of the first district. The incumbent, F. A. Lowell, polled a handsome vote in every precinct, defeating R. R. Empanan by two and one-half to one. In two or three Sonoma Valley precincts the vote was close, but in the majority Supervisor Lowell swept everything and was practically elected early in the count. News from the other side of the district revealed that Lowell was the popular choice there, where the vote by precincts was as follows:

Elmore—Lowell, 112; Empanan 11.
Penn Grove—Lowell, 86; Empanan, 36.
Lakeville—Lowell, 45; Empanan 17.
Mills—Lowell, 57; Empanan, 14.
The Sonoma City precincts gave Lowell 206 and Empanan 109.
West Glen Ellen—Lowell, 82; Empanan, 30.
East Glen Ellen—Lowell, 25; Empanan, 20.
Kenwood—Lowell, 26; Empanan 18.
El Verano—Lowell, 102; Empanan, 98.
Agua Caliente—Lowell, 74; Empanan, 90.
San Luis—Lowell, 107; Empanan, 41.
Vineburg—Lowell, 118; Empanan, 46.
Lowell's total was 1160 to 547 for Empanan.

Empanan was among the first to call and congratulate Supervisor Lowell on his victory.

The defeat of Assemblyman Lucien Fulwider by Dr. Anderson of Santa Rosa came as a surprise to Sonoma Valley supporters of the former assemblyman, who was snowed under by his home city.

Other contests of interest were between Judges Plummer and Jones, the former polling a flattering vote here.

Congressman Lea, the district's able representative at Washington, who had no opposition, received both the Republican and Democratic vote.

The Republican county committee-men were chosen from candidate Breitenbach, Mohr, Weise and Beretta, Mohr and Weise running a close race.

SEBASTIANI RETURNS FROM NEW YORK CITY

Sam Sebastiani has returned from a business trip to New York and reports a fine season ahead for grape products. He declares the embargo on juice grapes will not affect his business and that he is in the market for all the tonnage he can get.

Mr. Sebastiani has permits to make and ship fortified wines for medicinal and sacramental purposes. He expects to make another trip to New York later in the fall.

Poultry Men Meet at Ranch of Sea Captain

The demonstration and lecture on culling given by W. Buster, Farm advisor, to the poultrymen of Sonoma Valley who assembled at the Captain Heinke place Monday proved of great interest and benefit to the 60 or more present. Through charts the lecture proved the results of culling properly and showed that in varied flocks of pullets some yielded a profit of \$1.27 per bird and others showed a loss of 14c per bird. Professor Buster complimented Captain Heinke on his flock and declared that Valley of the Moon flocks were improving right through and would continue to do so with proper, scientific management. Captain Heinke, a retired sea faring man who cast anchor in this valley some time ago, knew more about whales, sharks and sea dogs than he did about chickens. He admitted he was at sea here, although on dry land, but with the aid of the compass of good sense, by scientific management and considerable kale, developed a splendid flock of White Leghorns. It can be done, says the Captain.

DORELLIS BREITENBACH WEDS HASTINGS SCHMIDT

Miss Dorellis Breitenbach, daughter of Mrs. Annie Breitenbach was married to Hastings Schmidt of Berkeley, formerly of Boyes Springs, last Thursday. Mr. and Mrs. Walter Stuermer stood up with the happy young couple at the quiet ceremony performed in Oakland. Miss Breitenbach is twin sister of Miss Dorothy Breitenbach and has been the popular clerk in G. H. Hotz's store.

The lucky young groom was formerly connected with the Boyes Springs Fire Department, but after the fire removed to Berkeley.

Mr. and Mrs. Schmidt are guests of Mr. and Mrs. Stuermer at the Springs this week.

WOMAN'S FARM NOW HOME FOR 35 BOYS

The defunct State Farm for Delinquent Women at Buena Vista has been taken over by the Sonoma State Home and 35 men and boys from Eldridge are now quartered there. The patients are epileptics and in accordance with the new policy of Dr. Butler and the Board of Managers no other class of patients will be admitted to the Buena Vista unit of the big institution.

About 15 of the inmates already at Buena Vista are at work on the place, the other patients being unfit for hard work at present.

Four attendants are in charge of the new department. The modern brick hospital building erected when the women dope addicts and other delinquents were being received, is being used to house and care for the epileptic inmates.

Emmet Mullen of El Verano has been delegated by County Clerk W. W. Felt, Jr., to sell hunting and fishing licenses.

Authorities Say Sewer Extension Is Necessary; City Trustees Invite Suggestions.

A letter relative to the sewer farm controversy, from C. G. Gillespie of the State Board of Health, has been received by City Engineer Specht who forwarded to the health authorities the substitute plan of Dr. Thomson, to avert the \$30,000 bond issue by making changes at the present sewer farm instead of extending the system to tide water. The text of the letter is herewith given in full and also a letter from Mayor Bulotti inviting recommendations of property owners and tax payers in reference to the matter.

"Berkeley, Cal., Aug. 27.

"Mr. R. C. Specht,

"City Engineer,

"Sonoma, Calif.

"Dear Sir:

"I must ask your pardon for the long delay in answering your letter of the third. As you may have learned, I was injured in an automobile accident, and this is the first chance I have had to know of your letter and to answer it.

I examined the clippings and Dr. Thomson's plan of revamping the sewer farm and have discussed the whole situation with the State Board of Health. It is quite apparent that some of your people do not realize that since the sewer farm was established the land thereabouts has been subdivided and is now built upon in acreages as high as five acres. The result is that there are many more people living near it now than formerly. Furthermore, I believe that many of your people have the mistaken idea that the smells which the people complain of are due to emptying of sludge from the tank last winter. This, of course, produced an odor, but as a matter of fact, the people complained to us of odors long before the sludge was emptied from the tank and inquiry shows that practically everybody in the vicinity has had occasion for constant complaint against odors emanating from the septic tank and sewer farm.

"I note that Dr. Thomson regards

the water from the tank as practically odorless and harmless. This is, of course, in error, as numerous typhoid epidemics testify, and as the odor in the water itself shows.

"Now coming to the plan of Dr. Thomson to revamp the farm, the plan is a good one where soil and subsoil are suited and isolation is adequate for the spreading of the sewage upon the ground. At Sonoma as you well know, the top soil, a few inches thick, is loose and fairly receptive. Underneath this is solid hardpan, through which water cannot penetrate and I am frank to say, after a good many years' experience and observation with sewage disposal, that it is a waste of time, patience and money to try to meet the obligation of the city by doing anything with the sewer farm.

"I notice that some of your people regard the demands of the State Board of Health as being somewhat arbitrary. Replying to this, it must be remembered that an individual creating an odor nuisance to his neighbors is responsible for it and must abate it; a town should not any the less escape its obligations to abate an odor nuisance due to its sewage disposal. It is fortunate in one respect that Sonoma can meet its obligations so effectively by reaching tide water and my advice is that the town realize its obligations and proceed in this manner to meet them. If there is still any real belief in anyone's mind in Sonoma that the sewer farm can be revamped as successfully as Dr. Thomson outlines, the disposition of this Bureau is that, if the town will furnish us with a statement from all of the residents, say within half a mile of the sewer farm, that they will consent to trying out this scheme for a period of say one year, or until its failure is demonstrated, we will be willing to suspend further demands upon the City of Sonoma. Otherwise it is our duty to require abatement of the nuisance, as

(Continued on Page Four)

Sonoma Index-Tribune Is Forty-Seven Years Old

With the last issue the Index-Tribune entered upon its 47th year in the local newspaper field. We desire to thank our friends and patrons for their continued co-operation and patronage and to assure them that the future welfare of the community, its improvement and upbuilding will be our continued aim.

With pride we review our subscription list, the largest of any weekly newspaper in Sonoma county, and realize that the paper is read so widely because it gives the news, is broad gauged in its editorial policies and has honest opinions.

It would be futile to try to please everyone or to have a policy which would meet with the approval of all. The Index-Tribune, however, has evidently charted a pretty good course

the past 46 years, and in its tolerance of the opinion of others and appreciation of the good points of even our adversaries, has won a reputation for

square dealing and fellowship which is one of its most precious assets.

Great community prosperity is in the making when a newspaper builds a big family of readers. When local business people avail themselves of the opportunity to put on the printed page messages and information of interest to these readers and "deliver the goods," future business expansion is unlimited.

Our columns are at the service of future planners.

It has taken many years of hard work, patient striving, and unflagging interest for the Index-Tribune to build the foundation it has achieved and from this foundation arises the new permanent home, now in the course of construction.

The Index-Tribune has faith in the future and believes after 46 years of pioneering that Sonoma Valley stands on a new threshold of community prosperity.

Aunt Polly Gets Air Mail on Her 100th Birthday

Aunt Polly Reynolds, of Healdsburg, 100 years old on Wednesday of last week, and who almost 70 years ago came from New York to San Francisco in a month's time, has received a letter of birthday congratulations that had come from New York in two days' time. The letter was from a distant relative, and was one of the score that came for the venerable Healdsburg woman in the day's mail. Aunt Polly's one month trip in the pioneer days was considered sensationally fast time, and her letter by air mail offers an interesting contrast in the old and the new. Sonoma has a wonderful old lady in Mrs. Poppe, 96 years old, who would like to live to be 100, and like Aunt Polly, loves flower and plant showers on her birthday. Mrs. Poppe expressed herself as being indifferent to her allotted time when the sands had run her 89th year, but having achieved 90 she declares that she would like to pass the 100th milestone and celebrate with all her friends. Aunt Polly's party will be an inspiration for the centenary.

HIGHWAY COMMITTEE ARRIVES HERE TODAY

Sonoma Valley will have important visitors today in the presence of the committee studying highway needs and the highway situation in general. A delegation of Sonoma Valley boosters will meet the party at Schellville about 2:30 p. m. The following telegram was received by W. F. Clewe yesterday:

San Francisco, August 29.

Representatives Down Town Association of San Francisco and other San Francisco Bodies studying Highway situation leave San Francisco Saturday morning for Sausalito, thence San Rafael and Napa. Leave Napa 2:30 o'clock to Schellville thence coming through Sonoma where we would like to stop a few minutes, meeting your representatives and City officials for a conference in the interest of highway development.

J. M. CUMMINGS

Executive Secretary Down Town Association.

The Sonoma meeting will be held at the Sonoma City Hall upon the arrival of the party from Schellville.

REDMEN GRAND OFFICERS WENT TO PLACERVILLE

Grand Chief William Steinkamp of the Redmen of California and J. Tullius, grand trustee of the same Order, have returned to Sonoma Valley from an extended motor trip to Placerville and vicinity where they went on official business.

They report a successful and enjoyable time and plan other trips up north. The Daughters of Pocahontas new lodge at Sacramento will shortly be granted a charter and opened by Grand Chief Steinkamp with many Sonoma members of the Order to be present.

MANY SONOMANS WILL TAKE PART IN OUTDOOR PLAY

Local Contribution Will Feature Indians, Mission Founding, Spanish Fiesta and Bear Flag Scene.

Sonoma is to have a proud place in the beautiful Pageant of the Redwoods which takes place Monday, September 1st, at Armstrong Woods, Sonoma county's wonderful redwood grove. The pageant given by the club women of the county for the benefit of the Save the Redwoods League and for the founding of a tubercular hospital is one of the most ambitious out-of-door productions ever staged in Northern California. Hundreds of people from the various cities of Sonoma county will comprise the cast and produce different episodes.

Sonoma is to depict California history from the time of the Indians to the admission of California, including the founding of the Mission, the days of Spanish splendor and fiestas during General Vallejo's regime and the coming of the Bear Flag party.

The Indian episode will show the young braves in a war dance and Indian maidens in the basket, or harvest, dance.

The Mission episode includes the coming of the padres to found the Mission, the gifts of the Russians, the conversion of the Indians and raising of the cross.

In the fiesta scene there will be a solo dance by Miss Kenney of Petaluma; a song, "La Golondrina," by Mrs. L. V. Empanan, and a wedding procession in which the principals are Miss Leola Forni as the bride and Spencer Merz as the groom. R. R. Empanan, as General Vallejo, will welcome the company in the gallant, hospitable manner of the old days.

The Bear Flag scene under the direction of J. F. Prestwood will show the rowdy element, the peace-makers and empire builders, the crude Bear Flag emblem of the Republic and its supplanting by the Stars and Stripes. The entire cast of Sonoma players will participate in this finale.

Among those who will go to Armstrong Woods Monday to participate in the play are the following:

Cecil Hunter, Glenn Ehlers, Herbert Tracy, Albert Tracy, Walter Carter, Kenneth Ghermanhauser, Vesta Prestwood, Lucy Pfalsgraf, Louise Barracchi, Evelyn Valente, Eva Carter, Emma Papina, Estelle Warren, George Crowe, George Angove, Mrs. Philip Bill, John Fox, Mrs. Hansen.

(Continued on Page Five)

FIRE DEPARTMENT BENEFIT TONIGHT

The benefit ball to meet the indebtedness on the Valley Angel will be held tonight at Coney Island Pavilion. A five piece jazz orchestra from Santa Rosa will play.

Whether you dance or not, buy a ticket or attend this benefit. A dollar ticket for the fire department is insurance, the best kind.

Cooperate with Chief Stuermer and the fire laddies.

EL VERANO NEWS

By ARCHIBALD McKIVER

Hats off to Supervisor Lowell. Two hundred and three votes were cast at El Verano precinct 2: Tuesday's primary election, the supervisor fight being the main event, which was won by Fred Lowell. His opponent was R. R. Emparan of Sonoma. The vote here was close, Lowell winning by four votes. Anderson for the assembly, lead Fulwider by seven votes. The campaign waged before election by both candidates and their friends was lively and active up to the time of election. The wise ones on both sides predicted a close race. Supervisor Lowell, to the writer's way of thinking, is a hard old political war-horse to beat and your El Verano correspondent wishes to congratulate him on his great run and wish him success during his second term as supervisor of the first district. The vote here was as follows: Lea, 171; Anderson, 91; Fulwider, 84; Emparan, 98; Lowell, 102; Campbell, 137; Beretta, 53; Breitenbach, 101; Mohr, 82; Weise, 83.

The S. P. Company's Mexican rail gang arrived from Calistoga the first of the week and the large force of men is rushing the side track between here and Boyes Springs to completion. Alex Bordenches, former section foreman at Schellville, is in charge of the work.

Harry Reiter, crack bantamweight boxer of New York, is registered at Parente's Villa, and enjoying the balmy climate of Sonoma Valley. Reiter is a close champ of his class and has been the traveling mate of Benny Leonard and a sparring partner for many years. He is working out daily at Verano and will box several matches at Petaluma and Santa Rosa clubs, and later intends to go to Tia Juana for matches. At Santa Rosa last Tuesday evening Reiter easily won his match.

William Schultz, San Francisco baker, was spending the week end at his poultry farm in West El Verano and also visiting his folks.

Frank Bayoul and wife, accompanied by San Francisco friends, were in Sonoma Valley Sunday visiting.

We are wondering if our old friend, Roy Hansen, isn't thinking seriously of deserting the ranks of bachelorhood. He is planning to build a new and up to date residence on his ranch at Schellville in the near future.

Sheriff John Boyes of Santa Rosa went to Centerville Sunday to bring

back W. T. Young, alias H. C. Russ, wanted in Santa Rosa for passing four worthless checks upon local banks. He was captured in Alameda recently.

Judge Emmet Seawell of Berkeley and Harry Lutgens, secretary to Governor Richardson, accompanied by Mrs. Lutgens, were in Santa Rosa on election day to cast their ballots.

Clem Cornelius of Sonoma was in town Tuesday evening looking over election results in this city.

Fred Jensen was transacting business in San Francisco the first of the week.

Mr. and Mrs. Carlos Emparan and little son, after a pleasant visit of several days at the Emparan home, left for their home in Oakland on Monday morning.

Miss Vera Avena and brother, Robert, of Sacramento are guests at the George Baines home.

Pat Wyatt, a mechanic at Mare Island, is spending the week at his parents' ranch in West El Verano.

Mrs. T. Corcoran and daughters are spending the week in San Francisco, shopping and visiting.

Mr. and Mrs. Fred Jensen, Jr., of San Francisco, were guests of home folks over Sunday.

Mrs. Rae Davis of the western addition went to San Francisco Tuesday where she was called to serve on the election board in that city.

John von Helms, father of Mrs. G. A. Jasper, who suffered a stroke a short time ago, and was taken to San Francisco, died at St. Mary's Hospital last Saturday. Von Helms has resided at El Verano for some time and had many friends who will regret his death. Deceased leaves two daughters and two sons. The funeral was held in San Francisco Tuesday. Deceased was a native of Germany, aged 76 years.

Mr. and Mrs. G. A. Jasper were in San Francisco the first of the week attending the funeral of Mrs. Jasper's father.

J. W. Bolin is the owner of a new Chevrolet sedan, bought through the Henry Norrbom agency.

Harry Rosemond, theatrical star, and a great favorite at the Orpheum Theatre, is registered at the El Verano Villa for his annual vacation.

Mrs. A. Frentzen, who resided at the McAuley poultry farm, has removed to Oakland, where she will make her future home.

W. W. Felt, our popular county clerk, was here Saturday delivering supplies for last Tuesday's election.

J. Davis of San Francisco, clever tonsorial artist, who has been relieving our local barber, has accepted a position in Sonoma. Mr. Davis is some shiek and takes pride in his work, particularly when a fair one hops in his chair to have her hair bobbed.

Miss Vivian Simpson, a charming young miss from Oakland, has accepted a position as clerk in Rossi's store here.

Mrs. J. N. Beach of Sonoma Vista has been a guest of her daughters in San Francisco this week.

P. McCarthy, San Francisco politician and capitalist, was visiting with his family in Sonoma Vista Sunday.

Jim Burke, former Sonoma boy, accompanied by his wife, and Miss Ann Burke, motored up to Agua Caliente Springs Sunday to visit Mrs. Burke who had been spending the week at these famous springs.

Misses Louise Larson and Josephine Cogo, two charming young ladies of Sonoma City, were visiting with friends in El Verano recently.

J. Signorelli, well known vineyardist, was a business visitor to San Francisco Saturday.

Wright H. Truesdell has arrived here from the East and will make his home with his mother, Mrs. McNeil.

Mr. and Mrs. McAuley returned to Hornbrook Tuesday. They intend to rent their poultry ranch in El Verano.

Mrs. J. Staudinger was a visitor at the Sutter home from San Francisco Sunday.

Carlos Emparan, of Oakland, S. P. conductor, was in town last Saturday renewing old acquaintances and pay-

ing the writer a pleasant call. Mc-the S. P. Daylight Limited for Santa Kiver was glad to see his old friend Rosa last Friday evening. and school mate, and "them good old Summer resort owners are preparing for a large crowd of visitors over days" were recalled. ing for a large crowd of visitors over Pete Perrazzo of Sonoma boarded (Continued on Page Seven)

350 QUARTS PEACH

PRESERVES PUT UP

Three hundred and fifty quarts of peach preserves were "put up" by the ladies of Madrona Temple, Pythian Sisters, in the "canning bee" held recently at the Pythian Home in Los Gatos Valley. The Healdsburg party worked with enthusiasm that promised well for those who later will partake of the delicious pre-

serves that were put away for their coming. At noon a basket lunch was partaken of and then the work was continued.

Twenty applications for admission to the Pythian Home have already been received and the home is being redecorated and fitted up for them. It is expected that the Home will be all ready to receive its first inmates about January 1st.

The Pythian Sisters' Grand Temple

of California is soon to build a \$25,000 cottage at the former Kearns ranch, to be donated to the Pythian Home.

WHAT THE ELECTION
FORECASTS

It is all over but the shouting, so let every good citizen forget the personal note and shout for the community, for the District and for our wonderful State of California. An election is the expression of the majority by whose mandate we must abide and it is good to know that whatever activated the citizens to vote was a stimulus to citizenship and interest in the common weal. As in business, a little political competition is good, for it brings out the true sentiment of the public and minority opinion is not to be ignored by the public servant nor will it be when founded on reason. On the other hand the confidence of the public should whet the desires of good officials to better serve not only their constituents but all the people, and to aim toward a 100 per cent record.

The Index-Tribune congratulates Supervisor Lowell on his re-election and is pleased that the contest between the Sonoma candidates for the supervisorship was friendly and conducted on a gentlemanly basis. In endorsing Supervisor Lowell at the outset of the campaign the Index-Tribune had every confidence in his re-election, knowing that as a public servant he had been honest and faithful to the trust reposed in him and had served the District as far as it was possible for him to do so.

The limitation of finances to which our Supervisor is subjected made it appear to those not understanding the money end of it that Lowell could do better, but as soon as he gave facts and figures and put the public in possession of knowledge of the circumstances under which the Supervisor works, his re-election by a three to one majority was at once forecast. The public can be relied upon to do the right thing when intelligently informed and Supervisor Lowell's handsome majority is evidence of it.

We re-affirm that Supervisors are coming to be judged more and more by their roads and that the sentiment of the hour is for well kept-up thoroughfares. This is where improvement clubs and civic organizations can be of the greatest aid to their communities by keeping in touch with the Supervisor, making constructive suggestions as to road betterment and finding out what can and cannot be done to better conditions. If lack of funds is proven to be the obstacle to progress some plan, such as the formation of a road district, should be worked out and put up to the people. Kicking at poor roads or knocking the Supervisor can accomplish nothing but waste of perfectly good energy which might better be directed toward a constructive program.

We are starting the next four years

with a clean slate. May a record of great accomplishment be written upon it is the hope of all well wishers of this matchless section.

COOLIDGE MERITS YOUR
VOTE

Stability in government is the imperative need of a topsy-turvy world emerging from the violent reactions of the war. Only in stabilized conditions can progress successfully go forward.

Instability means a backward movement of civilization, in which accomplishments of generations are wrecked in a day.

If stability is not maintained in America, anchorage is gone for the white race Asia has become arrogant since Europe has plunged in helplessness. Could the Reds of Russia also have inaugurated an upheaval in this country as they hoped and tried to do the upset of the white world would have been achieved.

The steady hand is needed at Washington. Courageous adherence to the fundamental principles of the Republic is required. The man who makes his every act square with those principles, regardless of political consequences, heedless of the threats of organized minorities, ready to sacrifice personal advantage, possesses the qualities of leadership that is the demand of the times.

President Coolidge already has thoroughly stood the test. First, it has been demonstrated that the people have an absolute faith in his integrity, a conviction that the character of the nation's leader is as clean as a hound's tooth.

For when the great oil scandal was revealed, wrecking reputations and creating a thick atmosphere of suspicion on every hand, the one shining figure against which not a word was directed was the occupant of the White House.

Calvin Coolidge has so lived his life in rectitude, has been so upright in all his career and has earned such a reputation for absolute honesty, that not an untoward intimation was leveled at him.

When the storm broke that shook official Washington to its foundations the personality of the President, holding the faith and confidence of the people, gave to the government a stability without which consequences might have been grave.

Church jingo-ists are now seeking to incite trouble over the Japanese Exclusion Act. Radicals in the church have already caused the United States enough trouble. Some sort of exclusion act might well apply to those whom clerical frocks now protect. We do not think that the United States should equivocate on this is-

sue and regret that President Coolidge saw fit to refer to it whatever in his recent nomination acceptance speech.

HARMFUL PUBLICITY BEGOT
OF DIRTY POLITICS

That yellow propaganda and sensational reports on epidemic and fire conditions in California this year almost killed tourist traffic in our Golden State until the truth arose above politics is brought out in a statement from Californians, Inc., the organization whose magnificent effort involving millions of dollars was jeopardized by the spectacular conduct and malicious publicity of enemies of Governor Richardson.

Californians, Inc., states: "Railroad and steamship authorities now believe that a final check-up will show travel to California this year up to normal, according to Californians, Inc., which has completed a nation-wide newspaper advertising campaign to attract tourists to this State. Since the close of the campaign a score of leading businessmen and others have congratulated the organization in letters to Walton N. Moore, president of Californians, Inc., on the part played by 'Cal-Inc' in saving what threatened to be a loss of millions of dollars in tourist revenue to California as late as June.

"By June it became obvious that the flood of adverse gossip broadcast nationally at the height of the foot and mouth disease scare would virtually kill the California tourist travel this year and deprive the State of millions of dollars unless something was done to allay the fears of travelers and vacationists. Railroad figures at that time showed that passenger business into California had already fallen 25 per cent below a comparative 1923 figure.

"Early August figures show now, however, a steadily improving situation. Californians, Inc., opened its emergency advertising campaign in 60 of the largest newspapers in June. Supplementing this appeal was a 'bring a friend to California' campaign in which the leading California newspapers took part while, at the same time, the organization functioned to broadcast throughout the United States assurances by Federal authorities that travel in California was unrestricted and safe.

"Results were almost immediate. Railroad ticket validations for July jumped above the total validations for July, 1923. Steamship companies now report heavily increased travel. The Pacific Steamship Company stated early in August that it was doing the 'biggest business in its history.' The business of hotels and of restaurants in San Francisco showed a 25 per cent improvement.

RAIL WRECK VICTIM
EXPECTED TO LIVE

Conductor Ernest Tovani, of the Northwestern Pacific, who was seriously injured on the occasion of the electric train wreck near Sausalito recently, was reported by his mother, Mrs. R. Tovani, to be much better. She returned the first of the week from the St. Francis Hospital in San Francisco, where the injured railroad man is being cared for. For a time she said his life had been despaired of by the physicians, but now they agree he has strong chances for recovery. His mother has been almost constantly at his bedside and, several times within the past few days he has rallied sufficiently to recognize her.

MRS. LUCE RETURNS
FROM PLEASANT VISIT

Mrs. Arthur S. Luce and her daughter, Mildred, are home again after an enjoyable visit in the Santa Cruz section. During their absence they visited this popular summer resort, and also spent a few days at Brookdale and San Jose, and returning they stopped over in Oakland to visit with relatives.

EMBARGO IS PUT
ON JUICE GRAPES

Owing to embargoes placed by Eastern roads, preventing delivery of juice grapes on the Island of Manhattan, (metropolitan district of New York) Western carriers will be unable to accept juice grapes at point of loading for such delivery to this point.

Embargoes were placed by the roads serving the Island of Manhattan in order to regulate the arrival, placement and delivery of grapes and avoid where possible exceeding capacity of facilities for proper protection of the various varieties of table grapes and juice grapes in the metropolitan district of New York. The method of handling has been agreed to by shippers and receivers with the approval of the United States Department of Commerce and the Interstate Commerce Commission.

The following varieties of table grapes will be acceptable to the railroads for delivery on the Island of Manhattan:

Almeria, Black Hamburg, Black Monukka, Black Morocco, Bleu Grau, Cornichon, Dattier de Beyrouth, Em-

peror, Flame, Tokay, Fontainebleau, Fresno Beauty, Golden Chasselas, Gros Coleman, Gros Guillaume, Humilis, Isabella, Ladyfinger, Muscat Hamburg, Malaga, Ohanez, Olivette, Blanche, Panariti, Piment, Piece Isabella, Pizzutello do Roma, Prune de Cazouls, Purple Damascus, Rosali, Red Malaga, Servian Blue, Sultaniana, Thompson Seedless, Thompson Seedless (pink), Zanta Currant and Zambanski.

The following varieties will be regarded as table grapes only when packed in four basket crates:

Black Ferrara, Black Prince, Rose of Peru, Malvoise and Muscat.

All other grapes are to be considered as "juice grapes," delivery of which must be confined to points other than on the Island of Manhattan. Juice grapes reaching the Island of Manhattan in violation of this embargo will be returned to the nearest point off the island and consignees will be so notified.

Mrs. Dunkhase of San Francisco is at the Nordwell Avenue Resort, Sonoma Vista, for several weeks for the benefit of her health.

STATE BOARD OF HEALTH
REPLIES TO PROTEST

(Continued from Page One)

the law makes this our duty.

"Please have the Board give us its decision in this matter as soon as this can be brought up for discussion."

"C. G. GILLESPIE,
"Director."

Mayor Bulotti states.

The above letter was received by the Board of Trustees from the State Board of Health. The Board of Trustees will hold its regular meeting on Wednesday, Sept. 3rd and the sewer matter will be open for discussion. The Board of Trustees would be pleased to hear from any of its citizens who feel that there is an alternative method of sewage treatment before answering the State Board of Health's letter.

FRED BULOTTI

President of the Board of Trustees.

SUPERVISOR HART IN TOWN

Supervisor and Mrs. Blair Hart of Petaluma, accompanied by Mrs. Monroe (Lettie Watt) were visitors to Sonoma Valley Wednesday. Mr. Hart who was a former supervisor of this district, never looked better and is the same genial politician as of old.

NEW PHYSICIAN'S
OFFICES RENOVATED

Dr. Allen K. McGrath, successor to the late Dr. W. B. Hays, has had his offices in the Mercantile Trust block nicely repainted and renovated. The walls have been tinted a rich cream color and the woodwork repainted. The doctor has installed new furnishings and fitted up a splendid department for maternity and baby cases. He has a special scale on which he will weigh infants and plans to care for all his baby cases for six months after birth if mothers will bring them to the office for weight and other tests.

Dr. McGrath is well pleased with Sonoma and with his wife and baby are nicely settled in the Hays residence on Napa street.

TO THE VOTERS OF
THE FIRST DISTRICT

I wish to thank my friends and supporters for the handsome vote given to me at the election Tuesday and to assure the voters of the district that I will endeavor to serve them faithfully to the best of my ability as long as I am on the Board of Supervisors of Sonoma county.

F. A. LOWELL,
Supervisor First District.

TOOK PICTURE OF
THE BRIDAL PARTY

Some interesting pictures taken at the recent wedding of Mr. and Mrs. Harry Burmester have been received and show the bride in all her lovely robes, the manly young groom, his best man and the pretty brunette bridesmaid, Miss DuRivage, who for the 5th time the past year has been a bridesmaid.

The bride, a perfect blonde in a wedding gown fashioned by her own hand, wearing orange blossoms and the bridal veil of her friend, Emily Poppe Grinstead, was a beautiful picture as she came down the aisle with her bridesmaid, Miss DuRivage, a handsome brunette. Wesley Nauman a University of California student, was best man for his former college chum.

The groom and his beautiful bride were deluged with congratulations following the ceremony performed by Rev. Hodgkins. The party then motored to Ennus, where 19 sat down to a beautifully appointed wedding breakfast.

Later, Mr. and Mrs. Burmester, the newlyweds, gave the party the slip and taking a taxi, motored to the home of relatives, where they donned outing costumes and left for the Feather River where they have been spending their honeymoon.

Young Mrs. Burmester has been a teacher of domestic science in several leading high schools. The groom has a responsible position with a leading mercantile firm of Oakland, where they will reside.

NOT EXPECTED TO LIVE

Mrs. John Serres who has been critically ill at a San Francisco hospital with cancer is not expected to live and yesterday her family was summoned to her bedside.

Clearance Sale of Tires and Tubes, Electric Irons, Toasters, and Curling Irons, starting September 1st. S. A. Robinson, Maffei Bldg., Sonoma.—ad

SCHELLVILLE NEWS

Harold Pauli left for Berkeley Saturday to bring home his family which was vacationing there.

Stockton relatives who have enjoyed several weeks with the F. Balios family, returned home Sunday.

S. Keller of Napa was here to vote Tuesday.

On Monday the Millerick Brothers shipped a carload of horses to Eureka for the rodeo.

Dr. and Mrs. G. Langer of San Francisco, Mrs. J. Guilfoyle and Mrs. H. Mundowski spent Thursday of last week at the E. Steiger ranch.

Mrs. C. F. Jessen went to Petaluma Wednesday with friends on a pleasure trip.

Mrs. F. Helberg and daughter Marguerite are home after a delightful two weeks' vacation in the South.

The J. Wagner family entertained Petaluma relatives Sunday.

A. Bonneau of the service station is making many improvements on his property. Joe Eaton is doing the work.

Miss Clara Schwartz, after an absence of several months in San Francisco, is home again to enjoy life in the country.

Anton Neuman has purchased an enclosed Buick car.

Mrs. Joe Keiser motored to Calistoga Tuesday and viewed the geysers. She was accompanied by Miss Helen and Frank Thomasson, Mrs. E. Steiger and Miss Evelyn Steiger.

Mr. and Mrs. George Potter of San Francisco spent the week end with the Potter family here.

Mr. and Mrs. F. Hall entertained San Jose relatives Sunday.

Henry Balios has been enjoying the Stockton fair this week.

Ernest Misbach spent Sunday in Oakland.

Mr. and Mrs. Ivan Anderson and daughter, Marie, spent the past week with Stockton relatives, taking in the fair.

Mr. and Mrs. Jack Watt of Oakland entertained the following on last Sunday: Matthew Watt, Mr. and Mrs. Joe Keiser, Miss Helen Thomasson and Frank Thomasson of Sonoma.

Mrs. Mae Parker of the Dale spent last Sunday in Oakland with her daughter.

Mrs. A. Marcucci was a recent San Francisco visitor.

Mrs. A. Schwartz spent last week in San Francisco.

James Kehoe of Point Reyes was visiting his cousins, the Millerick Brothers, this week.

Fred Helberg, Sr., has been quite ill, but under the care of Dr. A. M. Thomson, is reported much better.

Mrs. H. Mundowski and mother, Mrs. J. Guilfoyle, were on a shopping trip to Napa Thursday.

Mrs. Walter Dickson (Alice Church) has been visiting her sister, Mrs. Fred Schell.

Mrs. R. L. Watt, president of the Woman's Club, went to Santa Rosa Wednesday to attend a pageant meeting of Sonoma county club women.

Mr. and Mrs. J. McDonald (Whit) of San Rafael, have returned from a visit with relatives in Canada.

Misses Nevada Schell and Jane Ehrhardt have returned from San Francisco where they spent the week with friends.

Henry Rubke spent the week end in San Francisco.

Miss Anna Neves, U. C. student, is spending Saturday and Sunday here.

Mr. and Mrs. Jack Picetti and daughter, June, sent lovely cards to their Schellville relatives telling of their trip to the redwoods, over into Trinity County and Mt. Shasta. They returned home Wednesday after a two weeks' vacation.

Ernest Rubke leaves today for Marysville.

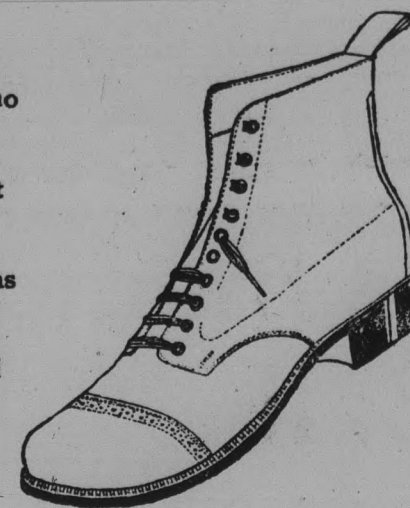

HERMAN SON'S TO GIVE
VINTAGE FESTIVAL PICNIC

An old fashioned harvest time picnic will be given by the Hermann Son's at Schumann's Garden on Sunday, Sept. 21st to celebrate the vintage season in Sonoma Valley. Dancing, games and general good time will mark the occasion and a big crowd is expected to enjoy the festivities under the trees of the trees to the pretty resort at Buena Vista.

The Load Dispatchers

THE beats in the pulse of Pacific Service are controlled by these men. Two on each eight-hour shift sit before a huge illuminated map—a reproduction in miniature of the company's power houses, substations, and high power feeder lines. Private and public telephone lines and wireless system puts them in immediate touch with interruptions in service. If a line or power house fails, due to storms or other causes, the lights on their map so indicate. Instantly the dispatcher diverts energy from an area with a surplus for the emergency.

By ordering switches opened or closed, they isolate the trouble, so that only the immediate vicinity is affected. These men keep the 30 power houses in step or generating at the same speed. If one gets out of step, going slower or faster than the rest, your lights will flicker.

Their purpose is to insure you a uniform, continuous service. Their success is your success.

A committee of ladies has been appointed to look after the children, so mothers need not worry, as the kiddies will all be given every care and consideration.

The Northwestern Pacific Railway Company will run their usual Sunday schedule on Monday, to Guerneville, and busses will connect with all the trains, and the charge for the trip to the woods, a distance of two miles, will be 25 cents each way.

**HIGH SCHOOL BUSES
TO MEET STUDENTS**

The High School announces that the transportation buses will meet all students Tuesday morning to take them to high school and will return them in the afternoon.

Two of the buses will double back to El Verano and to Vineburg after their long trip. All students living right in El Verano or near by will meet the bus at the Post Office at 8:35; those living close to the Vineburg depot will meet the bus there at 8:35.

Koerner's bus will go due East at Locarnini's corner to the hill road past the ranch of Mr. Hall and will go as far as Dowdall's corner, then return to the West side road to Caliente Springs and on the main highway to Sonoma.

**CIVIC WORKER OF
DELANO VISITS HERE**

Mrs. H. I. Howland, prominent civic worker and librarian of Delano, in Kern county, has been here on a visit to Mrs. M. Cowgill, who was also formerly prominent in club work in the South. The ladies had a delightful visit and Mrs. Howland inspected the Sonoma Valley Woman's Club house with the idea of reporting to her club which contemplates building a permanent home.

Mrs. Howland also advocated a county library for Sonoma, detailing its advantages in Kern county where schools have put in the service in preference to the regular school libraries which it has largely supplanted.

**RURAL CARRIER
EXAMINATION HELD**

It is reported that six applicants took the examination this week for Rural Mail Carrier including the present carrier Oscar Lund.

LOCAL AND PERSONAL

The Burmester family has been enjoying an outing at Stinson's Beach.

Mrs. Emma McDonald and daughter, Miss Ruth, are visiting at the Cooper home, at Cooper's Bridge.

Mrs. S. Canobbio is at the Morton Hospital, San Francisco, recovering from an operation for acute appendicitis. Many Sonoma Valley friends of this popular matron will hope for her speedy recovery. Mrs. Canobbio belongs to the pioneer Bacigalupi family of Agua Caliente.

Mr. and Mrs. E. G. Thierkoff whose pretty home at Glen Ellen was destroyed by fire recently, are moving to Healdsburg, where they will reside in the future.

Mr. and Mrs. Vic Leveroni, two sons and little daughter, accompanied by Ben Finder of the Snyder ranch have returned from a camping trip to the Redwoods of Humboldt county. Norbert Monson celebrated his 11th birthday Sunday and gave a party to his little friends.

The Flying Needles, after a two months' vacation, will meet Wednesday, September 3rd, at the home of Mrs. Rea Hunter.

Mrs. Rulon of Kansas City, Mo., an old time friend of Mrs. Miller, is visiting at Crescent Acres, the home of Mrs. Erasmus.

Wm. Duffin has returned from Monterey where he reports a splendid and instructive time at the Citizen's Military Training Camp. Duffin is a High school boy.

**SONOMA CITY
BUILDING BRISK**

Travelers coming into Sonoma City remark that building looks brisk and that business seems better here than in many of our neighboring cities. Several new homes have been completed and more are going up.

In the Hunt tract, the Arbogast and Reynolds homes are two very attractive additions to that pretty residence district. Other investors in that section also contemplate building very shortly.

On Broadway the Froment residence is being built by Contractor R. E. Murphy and the plan reveals a very nice home of stucco exterior.

The Grinstead cottage on Second Street East will be a beautiful one of Dutch colonial type and is being erected by Contractor Lange.

The rebuilding of the Fred Hansen home on Spain street has converted that cozy residence into a modern house with spacious screened-in verandas and portico. The interior finish is ivory enamel and the built-in features of great beauty and convenience. The house was moved forward from its former location and will be surrounded by nice lawns.

The substantial addition to the Sonoma Grammar School building has been completed and the new classrooms are now being plastered. The balcony in the auditorium is also nearing completion and when the improvements are all made the school building will be both modern and spacious enough to accommodate the increased attendance of the coming year, and the patrons and friends who throng the auditorium for graduation and other occasions.

The concrete has been poured for

the new home of the Index-Tribune, Contractor Murphy and his men making substantial progress on the new Napa street building.

With the completion of the highway, many plans held in abeyance will be carried out by progressive property owners and prospective buyers of Sonoma business and residence lots which are due for a real boom.

**LESSEES OF CONEY
ISLAND PLAN DANCES**

Messrs. Frank Emenegger and H. A. Warmoth of Petaluma, who have rented Coney Island pavilion for a series of dances, plan some of the biggest affairs of the year for Sonoma Valley. The opening dance will take place on September 6th, and the Petalumas state that they will aim to put on nice affairs, free from rowdyism of every sort.

Mr. Emenegger is a pioneer resident of the Egg City, prominent musician, and Spanish-American War veteran. His partner in the amusement project is prominent in labor circles of Sonoma county.

A big dance and conclave of Spanish-American War veterans is planned here for some time in September, also a concert and dance by the Patriarch's Militant Band and a Defense Day ball.

Mr. Emenegger declares that Sonoma Valley has the most wonderful pavilion and dancing surface in Northern California and it will attract large crowds from everywhere.

Music for the opening dance will be furnished by Damon's Orchestra. See ad.

The Grammar School will re-open on September 8th.

Adjusted Compensation For Our Veterans Is Explained

Beginning with this issue, the Index-Tribune will start the publication of an article on the adjusted compensation for World War veterans, explaining in detail to our ex-service men how they may avail themselves of its benefits, as arranged for by our government. Keep the articles and you will have the complete plan and know your rights as a veteran of the late war. The article is published at the request of the United States Veterans' Bureau.

The World War Adjusted Compensation Act which became a law May 19, 1924, provides for an adjustment in pay for veterans of the World War of \$1.00 a day for each day of home service and \$1.25 a day for each day of overseas service, after April 5, 1917, and before July 1, 1919, except that no credit is allowed for 60 days of service or less (see paragraph 11, below) and there are classes of service, described hereafter, for which credit is not allowed. If the amount due the veteran in such adjusted compensation is \$50 or less, he will be paid in cash in one payment, or, if the veteran is deceased, the amount will be paid to his dependents. If the amount due is more than \$50 the veteran will receive an adjusted service certificate, or, if the veteran is deceased, the amount of the veteran's adjusted service credit will be paid to his dependent or dependents, who have made valid application within the prescribed period in the order named in the law (see paragraph 2, below) in cash in 10 quarterly installments. The adjusted service certificate will be in the nature of 20 year endowment insurance, payable to the veteran in cash at the end of the 20 year period, or to the beneficiary designated by him, or to his estate in the event of his death within the 20 year period. This certificate will be of a face value equal to the amount in dollars of 20 year endowment insurance, that the amount of his adjusted service credit increased by 25 per cent would purchase at his age on his birthday nearest the date of the certificate.

The following information concerning the rights of individuals under the Adjusted Compensation Act is published for the information and guidance of all ex-service men and women and their dependents:

Who May Make Application

The term "veteran" includes any individual, a member of the military or naval forces of the United States at any time after April 5, 1917, and

before November 12, 1918, but does not include:

1. Any individual at any time during such period or thereafter separated from such forces under other than honorable conditions.
2. Any conscientious objector who performed no military duty whatever or refused to wear the uniform.
3. Any alien at any time during such period or thereafter discharged from the military or naval forces on account of his alienage.

Any person who is a veteran as defined above and who was in active service after April 5, 1917, and before July 1, 1919, for more than 60 days and whose service was not composed entirely of those classes of service listed in Paragraph 15 of this article (for which no credit is allowed) is entitled to make application for compensation.

Certain dependents of deceased veterans who, had they lived, would have been entitled to adjusted compensation may also make application. However, such dependents will not receive adjusted service certificates, but will receive only an amount equal to the veteran's actual service credit. Payments to the following dependents will be made in the following order of preference:

1. To the widow or widower if unmarried.
2. If no unmarried widow or widower, then to the children, share and share alike.
3. If no unmarried widow or widower, or children, then to the mother.
4. If no unmarried widow, widower, children or mother, then to the father.

Any of the persons above described may make applications for the benefits to which they may be entitled, whether their interest be vested or contingent. No payments shall be made to any individual above mentioned unless at the time of the death of the veteran such individual was dependent. For the purpose of showing dependency, a child of a veteran shall be presumed to have been dependent upon him at the time of his death, if at such time the child was under 18 years of age. The widow or widower shall be presumed to have been dependent upon the veteran upon showing by them respectively the marital cohabitation. The father and mother respectively, shall submit under oath a statement of dependency to be filed with the application.

(To be continued next week)

SONOMA VALLEY APPLES BRING RECORD PRICES

Apple growers in Sonoma Valley are receiving fancy prices for early shipments of Bellflowers to all the markets.

Quotations on this variety in the Valley of the Moon are opening up at levels considerably higher than those that attended the beginning of the deal last season.

The first substantial lot of new crop Sonoma Bellflowers reached the San Francisco wholesale market last Saturday and went on sale at the range of \$1.75 to \$1.85 a box. Dealers pointed out that growers are holding the f. o. b. market at \$1.50 a box. With freight charges added, little opportunity for profit is afforded in the commission districts.

Indications are that production will be light, with small sized fruit predominating. The situation is firm from a marketing standpoint. Stocks of apples are low in the East and big demand exists for early California varieties. Strength of the dried apple market is another important factor, it being reported that driers are paying as high as \$17 a ton for cull Bellflowers, a figure considerably above that in effect early this month.

INJURED WOMAN'S CONDITION SERIOUS

The condition of Mrs. Mary Laughnane of Glen Ellen, who was injured in an auto accident on the Black Point highway several weeks ago, is considered serious. She is at the Ross Sanitarium, suffering from two fractured vertebrae and it may be a year before she is able to leave the hospital, according to the doctors.

NEW POWER LINE TO BOYES SPRINGS

The Pacific Gas and Electric Company is preparing to reconstruct the power line extending from Sonoma to Boyes Springs. The work is being done now on account of the highway reconstruction.

The new power line will be built according to standard specifications, increasing facilities for additional In speaking of this extension, H. G. Ridgway, division manager of the company, states: "Nearly all classes of service, for the current month as compared with the same period of 1923, show substantial increases. The most notable are agricultural with 5,854,146 kilowatt hours, or 33.36 per cent, and mining with 1,172,989 kilowatt hours, or 15.39 per cent. For the seven months ending July 31, 1924, there was a gain of 3,610 new consumers."

UNITED IN MARRIAGE

Miss Ann Dolores Walsh and John Harper of El Verano were united in marriage Aug. 17th, by Father Byrne at St. Francis Church. After a wedding breakfast at the home of the bride's parents, adjoining the Valley of the Moon Golf and Country Club, the couple left on a honeymoon trip. They are now home in El Verano.

CONEY ISLAND RENTED

Coney Island Pavilion has been rented to prominent Petalumas who will conduct dances there, so Frank Emmenger, of that city, announces. He is a prominent business man and musician of our neighboring city.

HOLSTEIN CATTLE WERE POISONED BY ACCIDENT

C. C. Boysen, the well known rancher of Two Rock Valley, recently lost fourteen head of his finest Holstein cows, including the blue blooded prize milker of his herd, and six more are in such serious condition that it is thought they cannot be saved.

Dr. Tierney of Petaluma worked all night and all day to save some of the animals and was assisted by the owner and his employees and neighbors, but they could do nothing. The animals were poisoned by eating grass along the right of way of the Petaluma and Santa Rosa Railway Company, which had been sprayed by poison to keep down the grass and weeds along said right of way.

Warning signs has been posted at the Boysen gate, all along the right of way and warning had been given in the papers of the spreading of the deadly poison and the members of the Boysen family knew of the fact.

However, employees has been hauling hay to the railroad station and had left the gate open while unloading the wagon and 20 of the animals strayed out and ate the grass. Fourteen are dead and six more will die.

Mr. Boysen estimates the loss at \$2000 and will have to stand it, as he has no recourse, the railroad company being held blameless by him. He has one of the finest herds of Holsteins in this part of the state and it just happened that it was his best cows that were killed. One of them was a very high priced animals, but all were valued at no less than \$100 each.

As soon as the animals became ill, they dropped in their tracks and were scattered all over the place, and much trouble was experienced in getting them into the carrels. The carcasses will be destroyed, a task entailing considerable work.—Petaluma Argus.

Clearance Sale of Tires and Tubes, Electric Irons, Toasters and Curling Irons, starting September 1st. S. A. Robinson, Maffei Bldg., Sonoma.—ad

EL VERANO NEWS

(Continued from Page Two)

Labor Day, which falls on next Monday, giving visitors three days in which to enjoy themselves in the famous Valley of the Moon.

Henry Norrbom and son were in Oakland Tuesday on a business visit, returning home in a new Chevrolet car, which was delivered to a buyer in Sonoma Valley.

DEATH CALLS JOSEPH ROTENBERG, BUENA VISTA

After many months of illness Death called Joseph Rotenberg last Saturday and ended the suffering which resulted from tubercular trouble. Everything possible was done to restore the patient to health and Mr. Rotenberg spent some time at a leading sanitarium in quest of a cure for the dread malady. He finally returned to his pretty home at Buena Vista, but little improved, and there passed the remainder of his days until death came as a surprise to his suffering. His good wife has been in constant attendance and with her to mourn the loss of a devoted husband and father is a daughter, Mrs. Sadie Klobanoff, of San Francisco, and a son, David Rotenberg.

Mr. Rotenberg was formerly a prosperous grocerman of San Francisco and sold his business to come to Sonoma Valley's beautiful climate. The former Dobbel property east of town was purchased by the San Franciscan. He appeared much benefited by the change and for several years past had conducted the Buena Vista Hatchery and achieved success in the poultry business until his failing health caused his retirement.

The funeral took place Tuesday at 11 a. m. from the Hebrew Burial Parlor in San Francisco and was attended by a number of old friends from this valley.

Deceased was a native of Poland, 45 years of age.

CARD TO THE PUBLIC

In order to correct the report that the equity in the "Valley Angel" chemical fire engine of the Boyes Springs and Sonoma Valley Volunteer Fire Department is mine, I desire to state that all right and title to it is vested in the people of Sonoma Valley who subscribed toward it and who will become owners of it when the remaining indebtedness to the American La France Fire Engine Company is paid.

J. W. MINGES.

ADMISSION DAY AT SANTA CRUZ THIS YEAR

Plans for the three-day Admission Day celebration of Native Sons and Native Daughters of the Golden West in Santa Cruz, September 7th, 8th and 9th, are being rapidly completed. Chairmen of the various committees are enthusiastic over the prospects of what will, no doubt, be the most successful Admission Day celebration ever held by the Native Sons.

The celebration will open with the dedication of the Santa Cruz-Swanton aviation air port, where officials of the Native Sons will present a bronze tablet in commemoration of the aviators who have given their lives to the cause of aviation.

Monday, September 8th, the program will be principally made up of sports, including swimming contests, base ball games, band, drum and drill contests, golf tournaments, and yacht races, and entries are rapidly being made.

The different parlors will hold open house at their headquarters, and a grand ball will be held each evening.

On Tuesday, September 9th, will occur the parade of the Native Sons and Daughters in which it is estimated at least 10,000 will participate. An invitation has been extended to the 11th Cavalry representing the army, and the men of the U. S. S. California representing the navy, to participate in the parade which will be headed by military bands. Several bands from various Parlors of the state will also participate.

THE PAGEANT OF THE REDWOODS

On Monday, September 1st, at 1 o'clock in Armstrong Woods, the Federated Women's Clubs of Sonoma County will present "The Pageant of the Redwoods."

The ladies have been at work upon this difficult production ever since last February and now the beautiful pageant is nearly ready for presentation on Labor Day.

Through Sherman Clay & Company orchestrations for all the interpretive music have been secured and the musical part of the program will be fully up to the excellent standing of the rest of the pageant.

Without the unfailing efforts of Miss Gladys Kenney of Petaluma the beautiful interpretive dances could never have been given. Miss Kenney created all the dances, adapted the best of music to them and she has worked untiringly perfecting their excellence. Miss Kenney is well known throughout the county and the bay region as an artist of unusual ability and as a teacher or aesthetic and interpretive dancing. The many participants in the pageant realize the invaluable work she has done in the great production.

Mrs. L. C. Byce of Petaluma as chairman of costumes for the whole pageant, has made many trips about the county and to Goldstein & Company, costumers, of San Francisco. With Miss Kenney, Mrs. Byce has supervised the designing and making of the difficult costumes worn by the spirits of fire, fog, water, snow, and forest, and the wood violets and the squaw flowers. In her difficult work about the county, Mrs. Byce has been assisted by Mrs. J. G. Pierce of Petaluma and these ladies have been tireless in their efforts.

Duncan Olmsted, who has the difficult role of the "Spirit of the Redwoods," is making frequent trips up from the University of California to keep in practice for all his work.

The smallest tot in the whole cast of 350 people is little Yvonne Annabelle Hazlett, the little daughter of Mr. and Mrs. H. V. Hazlett of Petaluma. She is the "Spirit of Hope," the only comfort of the "Spirit of the Redwoods" in the hour of his despair.

The role of "Columbus" is to be played by Thomas Caulfield, and his attendants are a priest, Alfred Hall; a sailor, H. H. Oellig; a courtier, J. G. Pierce, and an adventurer, Horace Ables.

To Horace Adsit, who designed and constructed the throne for Queen Isabella and King Ferdinand, much credit is due.

The natural bowl in Armstrong Woods is being made ready for use and this work is under the supervision of Mrs. C. E. Borill of Guerneville. Seats and a limited number of boxes are being constructed and all reservations may be secured through Mrs. Harold Campbell of Petaluma. Arrangements have been made for busses to meet the train at Guerneville to drive people to Armstrong Woods. A charge of 25 cents each way is made for the bus fare. It is suggested that people had better arrive at Guerneville on the 10:30 morning train as those reaching there on the noon train will find it difficult to secure good seats.

The large clubs of the county are all working diligently and the great production will be of interest to old and young.

The pageant was written and is being directed by Mrs. Frank J. Greene of Petaluma and all of the arrangements for its production are in the capable hands of Mrs. T. J. McMannis, president of the Sonoma County Federation of Women's Clubs.—Petaluma Argus.

PLEASE TAKE NOTICE

All bills for the Boyes Springs and Sonoma Valley Volunteer Fire Department should be presented to the undersigned by September 20, 1924.

S. J. MEEK, Secretary, Boyes Springs and Sonoma Valley Volunteer Fire Department.

Mr. and Mrs. Staff of San Francisco, and family, have been up visiting at Full View Farm, the P. Lervoog place.

COMPROMISE IN GOLDEN GATE SUIT HAS FAILED

Ten days of negotiations to settle out of court the sensational suit brought against Aven J. Hanford, Oscar H. Klatt and other controlling officers of the Golden Gate Ferry Company, involving the alleged misappropriation or misuse of funds to an alleged total of \$250,000, have apparently failed, as announcement was made in Judge Walter Perry Johnson's court in San Francisco that trial of the case will be resumed next Monday. Appearing as plaintiffs in the action are J. B. Foppiano, Healdsburg, a director of the ferry company, and other company stockholders.

Trial of the case began August 2nd. Courtney L. Moore, John L. McNab and Bert Schlesinger, attorneys for the plaintiffs, offered evidence to substantiate the charge of misuse of ferry company funds. It was alleged that Hanford and Klatt had personally profited, their relatives had profited, or that the Golden Gate Ferry funds had been juggled with funds of the Rodeo-Vallejo Ferry Company and the American Toll Bridge Company, in all of which Hanford and Klatt are the controlling officers.

After one week of trial, Hanford and Klatt, through their attorneys, Peter F. Dunne, Dudley F. Sales, Henry TumSuden and Harrison & Harrison, suggested the action be compromised. Offers of a compromise were made and negotiations were carried on, but today it was announced the dissatisfied stock holders had decided to continue their fight. They demand a full accounting of all funds of the Golden Gate Ferry Company and the appointment of a receiver pending adjustment of the company's affairs. They do not attack the service given by the company, or its ability to earn money, but charge an alleged misuse of the money that has been earned.

E. A. WAGNER COMES UP TO VOTE

E. A. Wagner, former business man and post master of Boyes Springs, motored up from his present home in Berkeley Tuesday to vote.

Mr. Wagner himself was a candidate for supervisor, but withdrew owing to his wife's health, which necessitated his presence in Berkeley. He reports Mrs. Wagner's condition improved and declares that Boyes is the best burg on earth and that he plans to return when construction work is all complete on the highway. Mr. Wagner owns some nice property at Boyes Springs.

MARKETS

NEWS, COMMENT AND FIGURES

Chicago, August 28.

With a heavy wave of general liquidation sweeping the grain markets and persistent selling on stop loss orders, caused the prices to break badly and wheat showed 11% to 12% c, corn 12% to 17% c, and oats 8% to 9c under the high of a week ago today.

Net losses shown for Saturday were 2% @ 2% c on wheat, 1% @ 3% c on corn, 2% @ 2% c on oats, and 2% @ 3c on rye.

The greater part of the sensational upturn on corn of the previous week was forfeited, while wheat and oats at the last were lower than they were at the inside figure of the previous week. As compared with a week ago, wheat lost 10c to 10 1/2 c, corn 9 1/2 c to 14 c, oats 6 1/2 c to 7 c, and rye 7 1/2 c to 11 c. Liquidation in grains were reflected by a sharp break in provisions, with lard 87 1/2 c to 90c, ribs 67 1/2 c to 77 1/2 c, and bellies 67 1/2 c to 95c lower than a week ago.

It was estimated that export sales in all positions for Saturday aggregated around 2,500,000 bushels, the largest in many weeks, and in the past three days over 6,000,000 bushels, largely hard winters, have been disposed of.

San Francisco, August 28.

LIVE STOCK—Hogs: Market for week: Generally steady, few good 170-lb. Californias, \$11; bulk for the week medium, 130-150-lb. Californias, \$10.50 @ 10.75; several loads 125-150-lb. medium strong weight pigs, \$10; smooth 200-lb sows, \$8.

Cattle: Market for week: Best grass steers steady, strictly good steers scarce, four loads good 1,120-lb. Nevadas, \$7.50 @ 7.75; most arrivals under 1,000 lbs. with numerous offerings on these kinds, ten cars 950-lb Nevadas around \$7.25 @ 7.50; three concerns out of the market; others accepting commission cattle; lower grades weak; eastern wires causing depressed feeling. Good cows barely steady, few part loads \$4.75 @ 5; medium and common practically no interest. Bulls steady, few odd head.

Calves: Weekly receipts, 819; good to choice, 200-lb. quotable \$8; one load good 200-lb., \$7.75; medium to common, 350-400-lb. calves, estimated \$5.50 @ 6.

Sheep: Market for week: Lambs steady to 25c higher; talking \$11 @ 11.25 on good to choice, full wool 70-lb. lambs, this week's delivery. Bulk lambs medium quality, numerous loads good 68-70-lb., \$11. Ewes, steady, few loads good, 115-lb., \$6.50.

Dairy: The local and principal eastern butter markets for the week ended Friday showed little change in the condition of the San Francisco market, and prices advanced only 1/4c from Friday to Thursday. Trading was light and receipts of fancy butter not heavy, with the general tone of the market steady.

The supposedly steady market was sharply upset Friday when larger receivers threw heavy supplies on the market and reduced prices 2c on 92 score and above. The decline was not generally expected, but buying was very heavy at the lower level, which gave the market a steady tone.

Receipts this week, Monday to Thursday inclusive, total 366,384 lbs., as compared with 335,352 lbs. last week the same period. California shipments were slightly heavier and considerable butter arrived from Oregon, Washington and Montana.

Cold storage holdings on the coast (six cities) at the opening of the week were over 2,000 lbs. heavier than last year.

The heavy holdings and generous supply of fresh butter is causing considerable worry to holders and will no doubt result in a low price level this fall.

Vegetables: Green beans were in lighter supply and Blue Lake variety sold up to 7c per lb. Cucumbers were very slow, selling from 50 @ 55c per large lug. Lettuce was of only fair quality and prices ranged generally from \$1.25 @ 1.50 per crate on good stock. Prices on tomatoes cover a wide range because of considerable difference in quality.

Berries: The supply of raspberries continued to exceed the demand, and the wholesale prices on many of these berries are said to be below cost of production. Figs were somewhat weaker. Fancy large peaches were in good demand.

Japan's "Drill Day"

Tokio.—"National Drill Day," called similar to "American Defense Day," will be held throughout Japan on October 23, if the military reservist organizations carry through a plan formally launched.

Greek Mutineers Surrender

Athens.—Greek naval mutineers, under leadership of Captain Kollaitis, have yielded to the government and a government order to disarm the entire fleet was cancelled. The fleet proceeded to Phaleron.

IS IMPROVING AT HOSPITAL

The many friends of Mrs. Rose Bianchini of Sonoma Grove will be pleased to hear that she is improving at the hospital in San Francisco and is able to sit up daily. During her absence from the Grove, Mrs. Felice Rovai has been taking her place and guests have been well pleased.

MOVIE BALL WAS SUCCESS

Last Wednesday evening at Feters Theatre the long looked for movie ball took place and it proved to be the hit of the season. The hall was decorated with pictures of all the stars and the theatre was packed to the doors.

Two famous directors from Hollywood were there and three of their camera men. Several pictures were taken of the grand march and the audience, to be shown here in the near future. Those who imitated the big stars and won prizes were as follows:

George Williamson, as Douglas Fairbanks; Charles W. Perkins, as Lewis Stone; William Collins, as Ben Turpin; Arpat Rothmuller, as Jackie Coogan; Adele Girard, as Mary Pickford; A. Rothmuller, as Charlie Chaplin; F. Tavares, as Rodolph Valentino; and Miss B. Jones, as Thea Bara.

George Feters proved to be the comedian of the evening and made quite a hit with his speech, in which he assured all present that the pictures taken by Micky Weiss and his staff of camera artists would be "thrown out of this theatre" next Wednesday evening. Space does not permit us to mention all the names of those who helped to make the movie ball a success and who should have honorable mention for their wonderful costumes.

ENJOYED NICE TRIP TO PACIFIC GROVE

Miss Edna Cooper and Mrs. L. McElroy have returned from Pacific Grove having motored down via Niles Canyon and San Jose for a two weeks vacation which they greatly enjoyed. While there they visited Monterey, Carmel, Pebble Beach and other noted places. While in Monterey they found in an old museum a piano, said to have been in the General Vallejo family. They found Monterey and its romantic tea rooms very interesting. During their stay the Sonoma vacationers met a number of friends, including Miss Chester, former Sonoma school teacher; Miss Rolfe and the Higgins family, formerly of Glen Ellen.

ORVILLE HOSE HAS RETURNED HOME

Orville Hose, local newspaper publisher, has returned from San Francisco where he has been in a hospital and later recuperating at the home of his brother. His health continues poor and he is not yet able to go back to the office, although hopeful that with more rest he will gain strength. He has been under the care of Dr. Leino, the chiropractor.

Mr. Hose's many friends hope that he will show improvement and be able to resume work soon.

MADE THIS DEAL

The Cox Realty Company of Santa Rosa made the sale of the El Dorado Hotel property. The purchaser takes possession September 1st, and Lenora Quartaroli will remain for a month or so to assist the new management.

LITTLE MABELLE DODGE CELEBRATES BIRTHDAY

Pretty little Mabelle Dodge, two year old daughter of Mr. and Mrs. Neal Dodge, celebrated her birthday Wednesday with a party. A big cake with two candles, decorations of pink lilies, baby roses and kewpie favors made the babes immensely happy. A number of beautiful gifts were showered on little Miss Mabelle by her young guests, who included Margaret Fraher, Allen McGrath, Nancy Olin, Arthur Maffei, Betty Jane Smith and Allan Grinstead, Jr.

LEFT THIS WEEK FOR AUSTRALIA

Mrs. J. Ritchie and little daughter, Betty, of the Plaza Hotel, left this week for Australia, where they will visit for some time. They accompanied Mrs. Ritchie's parents, Mr. and Mrs. Duffield, who had been here for several months on a tour of the United States. Mr. Duffield is a prominent business man and musician of Sydney, New South Wales. He and his good wife were a charming and cultured couple. Mr. Duffield owns a large music store in Sydney.

The travelers sailed on the "Ventura" this week.

COUNTY CLERK AND WIFE VISIT SONOMA

County Clerk and Mrs. W. W. Felt, Jr., were dinner guests of friends in the Valley of the Moon last Monday evening. "Bill" Felt is one of Sonoma county's most popular officials and his family shares in his popularity, their summer home at Dillon's Beach being the center of much informal sociability during the season.

Watmaugh School will open September 2nd, with Miss Lottie Howard, popular educator, as teacher.

Mrs. L. F. Niemann, of Broadway, has been enjoying a visit from her mother, Mrs. Heinke, of San Francisco.

Supervisor and Mrs. Fred Lowell spent Tuesday evening in Santa Rosa where they received the election returns and were entertained by friends.
